

Academic Catalog Addendum for the Bachelor of Science in Nursing (BSN) Degree Program – Evening/Weekend Option

Effective May 2020

CHAMBERLAIN UNIVERSITY

COURSE AVAILABILITY FOR STUDENTS ENROLLED IN THE BACHELOR OF SCIENCE IN NURSING (BSN) DEGREE PROGRAM – EVENING/WEEKEND OPTION:

Course Availability for the evening/weekend cohort is limited to enrollment in campus courses offered during the evenings/weekends only. Students who elect to enroll in the evening/weekend cohort must maintain enrollment with this cohort for one year. Enrollment in campus courses offered during the day will be restricted.

For students not part of the evening/weekend cohort, enrollment is limited to campus courses offered during the day. Enrollment in campus courses offered during the evenings/weekends will be restricted.

Student Support Advisors can provide more information about course availability as needed.
